NEW SCHOOL UNIFORM FROM SEPTEMBER 2019

From September 2019, the school will be introducing a new school uniform. Over the next term, I shall be consulting with pupils, parents, staff and governors before deciding upon the new school uniform. I want to ensure the new uniform promotes a sense of pride in the school, as well as a sense of community and belonging. The school has made great improvements in so many areas over the last few years and I want our new uniform to reflect the high standards we have set for ourselves whilst also being affordable and good value for money. There will be parent consultation meetings which will provide an opportunity for parents to come and look at samples of uniform, compare prices and share their views on Friday 26th April and Friday 3rd May, straight after school in the hall.

We are aware that some parents will have recently purchased uniform and therefore we will ensure there is a transition period during which both the old and the new school uniform can be worn. Please come and share your view about the length of a transition period on either of our parent consultation meetings.

Nursery for 2 Year Olds?

We are currently considering expanding our Nursery to include provision for 2 year olds. We are hoping to go out to consultation formally in the near future but we would like to gauge interest. If you would be interested in a place in our Nursery for your 2 year old next year (from September 2019) then please could you contact the school office to register your interest.

CONSIDERATE PARKING

There have been several occasions recently when parents and staff have approached me to share concerns about parents parking on the pavement or in the staff car park. Please can I ask everyone to be considerate of others and prioritise the safety of our children when parking. Many thanks.
