

New School Day Times

School Day from after Autumn half term (Oct 31st)

Year Group	Start	Finish
Nursery	9:00am	3:00pm
Reception	8:40am	3:10pm
Y1-6	8:40am	3:15pm

Y5/6 Workshop with Really Wild Learning

As part of their geography topic on 'The Rockies', children learnt about the different animals that can be found in North America and compared these to animals that can be found in other areas of the world, focusing on adaptations and features to suit the differing climates.

ENRICHMENT IN ART

Children across the school have been working with artist Darrell Wakelam. The children in key stage 1 worked to create a marvellous piece of art to commemorate Queen Elizabeth II, who they will be learning more about in their upcoming Castles & Monarchs topic later this year.

After School Care

We are pleased to say that there has been an increase in the uptake for After School Care this term. This should mean we are able to continue with the provision in the future. I must say a special thank you to Hayley Knightley, Kelsie Fitzgerald and Jo Warren who do such a fantastic job of running and administering the provision. Where possible, please can parents book in advance through Parentmail and ensure they stay on top of payments. Many thanks.

KS1 Bude Canal Visit

To enrich their geography topic of Canals and Rivers, Elm, Beech and Sycamore Class visited Bude Canal. The children met with Chris from the Bude Canal Society who told them all about the history of the canal (and why it was built). He then explained how the canal was accessed and used. The children then walked along the canal, observing the geographical features, to the bird hide to see what wildlife lives along, and in, the canal – this was led by another member of the BCS – Peter (whose mum used to work at Holsworthy Primary). He also told the children about the history of some of the buildings along the canal side

MORE AWESOME ART WITH DARRELL WAKELAM!

LK32 Artist: Children in year 3/4 worked together to create this spectacular piece on the Romans, one of their upcoming topics for this year.

Nursery and Reception Artist: Children in Cherry, Hazel and Rowan class worked together to create some super pieces inspired by their current Superheroes topic.

MUSIC AT HOLSWORTHY C of E PRIMARY

Children across the school have been working hard to prepare for two concerts at Exeter Cathedral. Children have been working with Andrew Downton and choristers from Exeter Cathedral to prepare songs which will be performed on Saturday 12th November. They have also been getting ready to join Teachers Rock and other schools in a concert at the cathedral on Friday 25th November. I am very grateful to Ms Butters, who has done a wonderful job in arranging so many extra-curricular musical opportunities for our pupils.
