Prize-winning Toothbrushers!

We have won a competition with the Big Brush club - all thanks to our parents! Our school had the most responses in a recent survey, and have therefore won a prize pack worth £200, which includes resources to help teach children about the importance of dental health. Thank you to everyone who completed the survey, and for your continued support in our important toothbrushing programme.

Tik Tok

With Tik Tok being all over the news lately, we thought it timely to share some advice for parents. Please see the poster attached. Please note that the Tik Tok site is rated at 13+

Big Garden Birdwatch

This term, each class is taking part in the RSPB Big Schools' Birdwatch. This runs alongside the RSPB's Big Garden Birdwatch, which is the World's largest garden wildlife survey. Every year, thousands of nature lovers take part, helping to build a picture of how our native garden birds are faring. Sadly, it has found that since it started in 1979, the bird population has decreased by 60%.

To take part in this citizen science project, please follow the below link. This will take you to free resources and information on how to take part on the weekend of the **24-26th January**. [Big Garden Birdwatch](#)

Netball Winners

On Monday, the UKS2 netball club participated in a tournament at HCC with other schools in the area. All the children played brilliantly, and Miss Paddon was very proud of their skill, perseverance and sportsmanship in their first competition. Our two teams were placed as one of the joint winning teams and runners-up, with some children also being recognised for outstanding play. Well done, netballers!
