We need you!

We are looking for new Governors. If you have ever wanted to learn more about the running of the school or have your say in our strategic decision making, then have you considered joining our Governing Body? Everything is explained, we are a welcoming team and there is free training. Speak to the office for more information.

Partnership for the Inclusion of Neurodiversity in Schools (PINS)

This year we have been working with SEND (Special educational needs and/or disability) teams across Devon as part of the PINS project.

At the start of the project, they asked you to complete an initial survey and, as they are reaching the end of their project, they are now asking for you to complete a 2nd PINS Parent Carer Survey. It will be open until the end of term and can be found here: https://www.surveymonkey.com/r/PINS_PC2

If you'd like to find out more about PINS (which ran across 25 schools), what was involved and more, please book a place at one of the Parent Carer Feedback and Information sessions on Tuesday 25th March at either 10-11:30am, or 7-8:30pm. Reister at the link to secure your spot: <https://ParentCarerPINS.eventbrite.co.uk>

Easter Bonnets!

We know how crafty some of you are, so we have moved our Easter Bonnet parade until after the Easter holidays to give you more 'making time'. We are waiting to hear back from Rev'd Alison to see if we can also move our Easter service. As soon as they confirm a date, we will send you all the details.

The Goat Show!

The Goat Show has come to Holsworthy! More information about their show can be found here: <https://fb.me/e/6EQz6blGg> Children across the school have taken part in some fun goat activities this week including orienteering and puppetry workshops thanks to the Running Dog Theatre Company. We've also had a friendly goat puppet visit us at the school gate too.

Red Nose Day

Thank you for all your efforts with today's dressing up and for your donations. I think the staff enjoyed today's theme more than the children!!
