

HOLSWORTHY

C OF E PRIMARY SCHOOL

Working together, growing together, all to flourish

Monday 28th September 2026

Statutory Inspection of Anglican and Methodist Schools (SIAMS)

A heartfelt thank you to everyone for your support during our inspection last week. We were incredibly proud to share our school with the inspector and greatly appreciate the contributions of our pupils, staff, parents and governors.

We now need to wait for the final report to be published before we are able to share the outcome. We expect to receive the report in approximately three weeks and will share it with our school community as soon as we are permitted to do so.

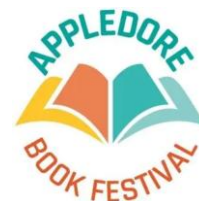

Flu Vaccines – THIS WEEK

The immunisation team are in school this week (October 1st) delivering flu vaccines. You must give consent by 9am on 30th September. If you haven't already done so, please click on this link: [Flu Vaccination Consent Form](#)

If you experience any issues accessing the form, please ring 01392 342678

Appledore Book Festival

As part of the Appledore Book Festival, we are delighted to be welcoming visiting authors into school next week. These exciting sessions will give pupils the opportunity to meet real authors, hear about the creative writing process and be inspired to develop a lifelong love of reading and storytelling.

Next week

Monday 28th – Year 6 Author visit – NO SWIMMING

Tuesday 29th – Year 3 Author visit

Wednesday 30th – Reception and Year 5 Author visit.

- Rev'd Alison Hardy in delivering Worship.

Thursday 1st – Years 1 & 2 Author visit

- Flu Immunisations

Friday 2nd – Year 4 Author visit

Please remember that both school and Nursery close at 6pm.

Good Luck

Some of our pupils are competing in a gymnastics competition in Solihull today!

Good luck Annabella and Maddie!

Food Allergy Aware

Holsworthy CofE Primary School is an allergy aware school.

We have a number of students and staff who can suffer with serious allergic reactions.

Please support our community by leaving all nuts and nut products at home.

NHS

flu: 5 reasons to vaccinate your child

1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed

The nasal spray is painless and easy to have

4. It's better than having flu

The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injection is also available which does not contain gelatine from pigs (porcine gelatine).
